

DK Hipkins

8345 NW 66th Street #3243

Miami, FL 33166

540-409-4686

dk@dkhipkins.com

In my opinion, DK is a wonderful teacher and tech integrator who contributes a great deal to the life of ASD and its students. He has a calm and soft-spoken personality that makes him a favorite of students, parents and colleagues.

- Mike Shahan, former principal, ASD

Professional Objective:

Seeking administrative position with an international school. Strong organizational, interpersonal relations, and problem solving skills coupled with a constructivist holistic philosophy would make me a valuable asset to a forward thinking school.

Career Honors and Achievements:

Three-time Who's Who Among America's Teachers nominee.

Founding coach of American School of Doha Robotics Team.

Coach of American School of Doha Robotics Team – 2009 Qatar National Robot Olympiad champions, 2010 Middle East Regional Botball Tournament runners-up, 2011 Middle East Regional Botball Tournament champions, 2011 International Botball Tournament runners-up, 2011 Qatar National Robot Olympiad runners-up.

Coordinated revision of high school technology curriculum at American School of Doha.

Invited presenter at NESA Spring Educators Conference in 2010.

Experience:

Computer Teacher

American School of Doha 2008-present – Department Chair 2009-present

Technology Integration Specialist

American School of Doha 2009-2011

Frederick County (Virginia) Public Schools 2003-2008

Social Studies Teacher

American School of Doha 2008-2010

Frederick County (Virginia) Public Schools 1998-2003

Warren County (Virginia) Public Schools 1997-1998

Online PD Course Instructor

North TIER Consortium (Virginia) 2008-present

Committee Member/Leader

American School of Doha – High School Leadership Team, 2009-present; Information and Technology Literacy Team, 2009-present; School Action Planning Team 2010-2011; Technology Leadership Team 2010-present; Technology Initiatives Evaluation Team, 2010-2011 (team leader); Moodle Transition Planning Team 2010 (team leader)

Frederick County Public Schools – SACS Review Team, 2006

D.K. has been a valuable member of the Millbrook High School staff as Technology Resource Teacher prior to students ever setting foot inside of our doors.

- Robert Liero, Assistant Principal, Millbrook High School

Education, Certifications and Training:

Ed.S. Educational Leadership (in progress) – Regent University, Virginia Beach, VA.
Anticipated completion May 2013.

M.S. Computers in Education (2002) – Shenandoah University, Winchester, VA.

B.S. History (1996) – Shenandoah University, Winchester, VA.

Postgraduate Professional License in Commonwealth of Virginia (1996-present) with endorsement in History.

Certified North TIER online course instructor (2003).

Training in numerous educational technology resources (MS Office, PowerSchool, Blackboard, Moodle, GradeQuick, Adobe CS5.)
